Attached is a copy of a letter [REDACTED] wrote to General Donovan. Your records will show an earlier reference to this case from Donovan's office, the first memorandum dated 11 May 1951. You apparently tried to get in touch, and could not locate him, and I got a phone number which I sent up to you on 27 June.

[REDACTED] apparently is still on Long Island, so this letter may be of interest to you. I have acknowledged to General Donovan.
